2. Reason for Recommendation:

The Parish Council is required to be open and transparent in its day-to-day financial transactions.

3. Recommendations:

- 1. To receive and note Report ABPC/24/009
- 2. To receive and note the financial position at the end of the first quarter of the financial year.

4. Introduction:

The Parish Council Financial Regulations require that the members are updated with the current financial position on a regular basis. The opportunity has been taken to provide an up-to-date summary against the annual budget as well as the current level of funds held in reserves for specific purposes.

5. Expenditure to date:

The payments made to date include a number of annual payments which fall due in the first quarter of the year and the provisions are accounted for half yearly upon receipt of the precept. At the current time there is nothing to indicate that the expenditure will exceed the budget for the year, should there be any significant variation to the budget the Council will be asked for approval before payment is made.
